Give me a call, I'm in the office here.  
Thanks

Mike – I know today is your day off (or at least a day to focus on your CFAC scope), but I think you might have left a message for me yesterday afternoon. It was somebody calling from a cell phone, reception was poor, I couldn't really make out the message but think I recognized your voice. So,, I'm in the office today if I can help.
